Venmo: @DiscoveryHouse

We have increased the number of residents that we serve and the variety of services that we provide. We currently have 24 beds compared to the 10-12 that we had in previous years. We also offer a holistic approach to working with individuals to increase the long term success rate in recovery.

As the cold weather moves in, we find ourselves wanting to stay indoors more. Once again this year, we are inviting you to participate in our "No Show" Charity Ball. Instead of buying a gown, renting a tux, and paying for tickets, please consider donating the money you would have spent to Discovery House as a tax deductible donation. All proceeds will go towards continuing to serve individuals who are homeless and struggle with addiction, mental health, or domestic violence.

## Why is it difficult to understand at the table?

Damaged hair cells inside our ears cause us to miss certain sounds of words such as "f" "sh" & "th". Add in competing voices and background noise, it can cause hearing fatigue. Thankfully, our instruments can help with clarity and understanding everyday speech. Don't miss out this holiday, call today to learn more!
